Enrolment Policy

Principles

The St Lawrence of Brindisi Enrolment Policy is consistent with the Catholic Education Office Melbourne (CEOM) Policy 2.4 Enrolment for Schools in the Archdiocese of Melbourne.

Rationale

St Lawrence of Brindisi exists to promote and educate in the Catholic faith and to foster traditional ideals. At St Lawrence of Brindisi, participation in school life is seen as part of the experience of a Catholic community and this experience should be made available according to the placement criteria.

As the first educators of their children, parents are encouraged to enter into partnership with our school to promote and support their child's education. Parents have an obligation and a right to ensure an education consistent with their beliefs and values. St Anthony's strives for excellence in student learning, student wellbeing and spiritual growth.

As a Catholic primary school, we offer a broad and comprehensive curriculum with an authentic Catholic understanding of Christ and his teaching. Our Catholic school is an integral part of the mission of the church. It is one means by which the Church fulfils its role in assisting people to discover and embrace the fullness of life in Christ. All children attending St Lawrence of Brindisi will be expected to participate in all rituals and faith traditions of our church.

This policy ensures compliance with the regulations of Victorian government legislation and complements the policies of the Catholic Archdiocese of Melbourne regarding fairness and access.

Aims

At St Lawrence of Brindisi we aim to;

- Provide an efficient process of enrolment that satisfies the needs of the Parish, the school, its families and students.
- Assist prospective families to understand the responsibilities associated with applying for and accepting an offer of enrolment at St Lawrence of Brindisi Catholic Primary School.
- Ensure that St Lawrence of Brindisi complies with the enrolment policy of the Archdiocese of Melbourne.

Definitions

Catholic Child - For the purpose of enrolment in a Catholic school, a child is considered to be Catholic if they are a member of the Catholic Church, usually established by a Certificate of Catholic Baptism.

Catholic School - A Catholic school is one which operates with the consent of the diocesan bishop, where formation and education are based on the principles of Catholic doctrine, and where the teachers are outstanding in true doctrine and uprightness of life.

Catchment Area for Schools - For the purpose of enrolment, the school catchment is the parish or group of parishes, as defined by Catholic Education Melbourne, from which the school draws the majority of its enrolments and to which the school gives priority of enrolment. For the majority of primary schools, this will be the parish to which the school belongs. In parishes with more than one primary school, the catchment for each school is determined by the parish in consultation with Catholic Education Melbourne.

Parish - For the purpose of enrolment, the parish is the local parish as defined by its geographical boundaries.

Implementation

1. Enrolment

- 1.1. You are required to provide particular information about your child during the enrolment process, both at the application stage and if the school offers your child a place. Please note that lodgement of the enrolment form does not guarantee enrolment at the school. If the information requested is not provided, we may not be able to enrol your child.
- 1.2. To meet school and government requirements, you will need to provide the school with a completed enrolment form including, among other things, the information listed below.

☐ evidence of your child's date of birth, e.g. birth certificate, passport	☐ information about the language(s) your child speaks and/or hears at home
☐ religious denomination	☐ nationality and/or citizenship including the visa subclass granted upon entry to Australia (prior to citizenship being granted) where applicable

names and addresses of the child and parents/guardians; telephone numbers (home, work, mobile) of parents/guardians	doctor's name and telephone number
names of emergency contacts and their details	information on additional learning needs (for example, whether your child requires additional support in relation to mobility, language, social skills development, welfare needs, challenging behaviours, adjustments to the curriculum, etc.)
specific residence arrangements	parenting agreements or court orders, including any guardianship orders

1.3 After lodgement of this form, school staff may need to request further information, for example in relation to any parenting orders, medical conditions or additional learning needs that you have noted on the enrolment form. In addition, it is often useful for parents/guardians to attend a meeting with school staff prior to enrolment to discuss any additional needs your child may have. An interpreter may be organised, if required.

1.4 Subject to any special exercise of discretion by the parish priest, the following list provides an agreed order of priority for enrolment in our school, which is consistent with the enrolment policy for all Catholic schools. The order of priority is:

- a) Siblings of children currently enrolled at the school
- b) Catholic children who are residents of the parish *
- c) Catholic children from other parishes (for pastoral reasons) – must have written letter from current Parish Priest
- d) children from non-Catholic Eastern churches who reside in the parish *
- e) children from non-Catholic Eastern churches who reside outside the parish *
- f) other Christian children who reside in the parish *
- g) other Christian children who reside outside the parish *
- h) non-Christian children who reside in the parish *
- i) non-Christian children who reside outside the parish. *

* Must reside within the St Lawrence of Brindisi School Catchment Area (Appendix A)

2. Fees

2.1 The setting of fee levels and other compulsory charges in Catholic schools is the responsibility of the school, taking into account the allocation of government funds. The school offers a number of methods for paying fees to reduce any financial burden and to assist financial planning. If you have difficulty in meeting the required fee payment, you are welcome to discuss this with the principal of the school.

2.2 The fees must be paid for a child to enrol and to continue enrolment at the school. The school has discretion whether to allow a child to participate in optional or extracurricular school events, such as paid school excursions or extracurricular activities, while fees remain due and payable.

3. Enrolment under minimum school entry age

3.1 Catholic Education Melbourne Enrolment for Schools Policy 2.4 is intended to ensure that, when enrolling students, Catholic schools are compliant with relevant Victorian and Australian government legislation. The minimum starting age for a child to be enrolled in a Victorian school is four years and eight months, i.e. a child must turn five by 30 April in the year of starting school. Enrolment of children under the minimum school entry age and pre-Prep programs require approval from Catholic Education Melbourne via the 'Application for Early Age Entry to School'.

3.2 Children that meet the minimum school entry age will also need to satisfy the school's requirements in relation to school readiness.

3.3 In the rare situations where:

- a) a parent/guardian seeks enrolment of a child under the minimum starting age
- b) the principal supports the enrolment of that child at the school

the approval of the Executive Director of Catholic Education Melbourne is required before enrolment under the minimum starting age can occur. Approval for early age enrolment will only be granted in exceptional circumstances.

4. Child safe environment

- 4.1. Catholic school communities have a moral, legal and mission-driven responsibility to create nurturing school environments where children are respected, their voices are heard, and where they are safe and feel safe.
- 4.2. Every person involved in Catholic education, including all parents at our school, has a responsibility to understand the importance and specific role they play individually and collectively to ensure that the wellbeing and safety of all children is at the forefront of all they do and every decision they make.
- 4.3. Our school's child safe policies, codes of conduct and practices set out our school's commitment to child safety, and the processes for identifying, communicating, reporting and addressing concerning behaviour and allegations of child abuse. These documents establish clear expectations for all staff and volunteers for appropriate behaviour with children in order to safeguard them against abuse.
- 4.4. Our school has established human resources practices where newly recruited staff, existing staff and volunteers in our school understand the importance of child safety, are trained to minimise the risk of child abuse, and are aware of our school's relevant policies and procedures. Our school also provides ongoing training, supervision and monitoring of staff to ensure that they are suitable to work with children as part of our human resources practices.
- 4.5. Our school has robust, structured risk management processes that help establish and maintain a child safe environment, which involves consideration of possible broad-based risk factors across a wide range of contexts, environments, relationships and activities that children within our school engage in.
- 4.6. Our school, in partnership with families, ensures children and young people are engaged and are active participants in decision-making processes, particularly those that may have an impact on their safety. This means that the views of staff, children, young people and families are taken seriously and their concerns are addressed in a just and timely manner.
- 4.7. Our school's child safety policies and procedures are readily available and accessible. Further details on the Catholic education community's commitment to child safety across Victoria can be accessed by visiting:
 - 4.7.1. Catholic Education Commission of Victoria Ltd's child safety page www.cecv.catholic.edu.au/Our-Schools/Child-Safety
 - 4.7.2. Catholic Education Melbourne's child safety page www.cem.edu.au/Our-Schools/Choosing-a-School/Child-Safety.aspx.

5. Terms of enrolment regarding acceptable behaviour

- 5.1. Our school is a community that exemplifies the gospel values of love, forgiveness, justice and truth. The school community recognises that everyone has the right to be respected, to feel safe and be safe; and, in this regard, understands their rights and acknowledges their obligation to behave responsibly.
- 5.2. Every person at the school has a right to feel safe, to be happy and to learn; therefore, we aim to:
 - 5.2.1. promote the values of honesty, fairness and respect for others
 - 5.2.2. acknowledge the worth of all members of the community and their right to work and learn in a positive environment
 - 5.2.3. maintain good order and harmony
 - 5.2.4. affirm cooperation as well as responsible independence in learning
 - 5.2.5. foster self-discipline and develop responsibility for one's own behaviour.

6. Terms of enrolment regarding conformity with principles of the Catholic faith

- 6.1 As a provider of Catholic education, the principal will consider the need for the school community to represent and comply with the doctrines, beliefs and principles of the Catholic faith when making decisions regarding matters of school administration, including enrolment. Students and families who are members of other faiths are warmly welcomed at our school. However, the school reserves the right to exercise its administrative discretion in appropriate circumstances, where it is necessary to do so to avoid injury to the religious sensitivities of the Catholic school community.

7. Terms of enrolment regarding provision of accurate information

- 7.1 It is vitally important that the school is made aware of each child's individual circumstances insofar as these may impact upon their physical, functional, emotional or educational needs, particularly where the school is required to provide additional support to the child.
- 7.2 Parents and guardians must provide accurate and up-to-date information when completing an enrolment form and must supply the school, prior to enrolment, any additional information as may be requested, including copies of documents such as medical/specialist reports (where relevant to the child's schooling), reports from previous schools, court orders or parenting agreements. Provision of requested documentation is regarded as a condition of enrolment, and enrolment may be refused where a parent/guardian has unreasonably refused to provide requested information or knowingly withheld relevant information from the school.
- 7.3 Where, during the course of a child's enrolment, new information becomes available that is material to the child's educational and/or safety/wellbeing needs, it is a term of the child's continuing enrolment that such information is provided to the school promptly.
- 7.4 The provision of an inaccurate residential address or failure to provide an updated residential address for the child will also be treated as a breach of the terms of enrolment.

8. Enrolment for children with additional needs

- 8.1 The school welcomes parents/guardians who wish to enrol a child with additional needs and will do everything possible to accommodate the child's needs, provided that an understanding has been reached between the school and parents/guardians prior to enrolment regarding:
 - a) the nature of any diagnosed or suspected medical condition/disability, or any other circumstances that are relevant to the child's additional learning needs (for example, giftedness or an experience of trauma)
 - b) the nature of any additional assistance that is recommended/appropriate to be provided to the child (for example, medical or specialist equipment, specialist referrals, specific welfare support, modifications to the classroom environment or curriculum, aide assistance, individual education programs, behaviour support plans or other educational interventions as may be relevant)
 - c) the individual physical, functional, emotional or educational goals that are appropriate to the child, and how the parents/guardians and the school will work in partnership to achieve these goals
 - d) any limitations on the school's ability to provide the additional assistance requested.
- 8.2 The process for enrolling students with additional needs is otherwise the same as for enrolling any student.
- 8.3 As every child's educational needs can change over time, it will often be necessary for the school to review any additional assistance that is being provided to the child, in consultation with parents/guardians and the child's treating medical/allied health professionals, in order to assess whether:
 - a) the additional assistance remains necessary and/or appropriate to the child's needs
 - b) the additional assistance is having the anticipated positive effect on the child's individual physical, functional, emotional or educational goals
 - c) it remains within the school's ability to continue to provide the additional assistance, given any limitations that may exist.

9. Assessment and updates

- 9.1 Various opportunities are provided to keep you up to date with your child's progress. You will receive two comprehensive written reports each year and arrangements will be made for at least one interview where you can discuss your child's development with their teacher. In addition, you can always contact the school to arrange a meeting if you have any concerns or wish to receive an update on progress.

AGREEMENT

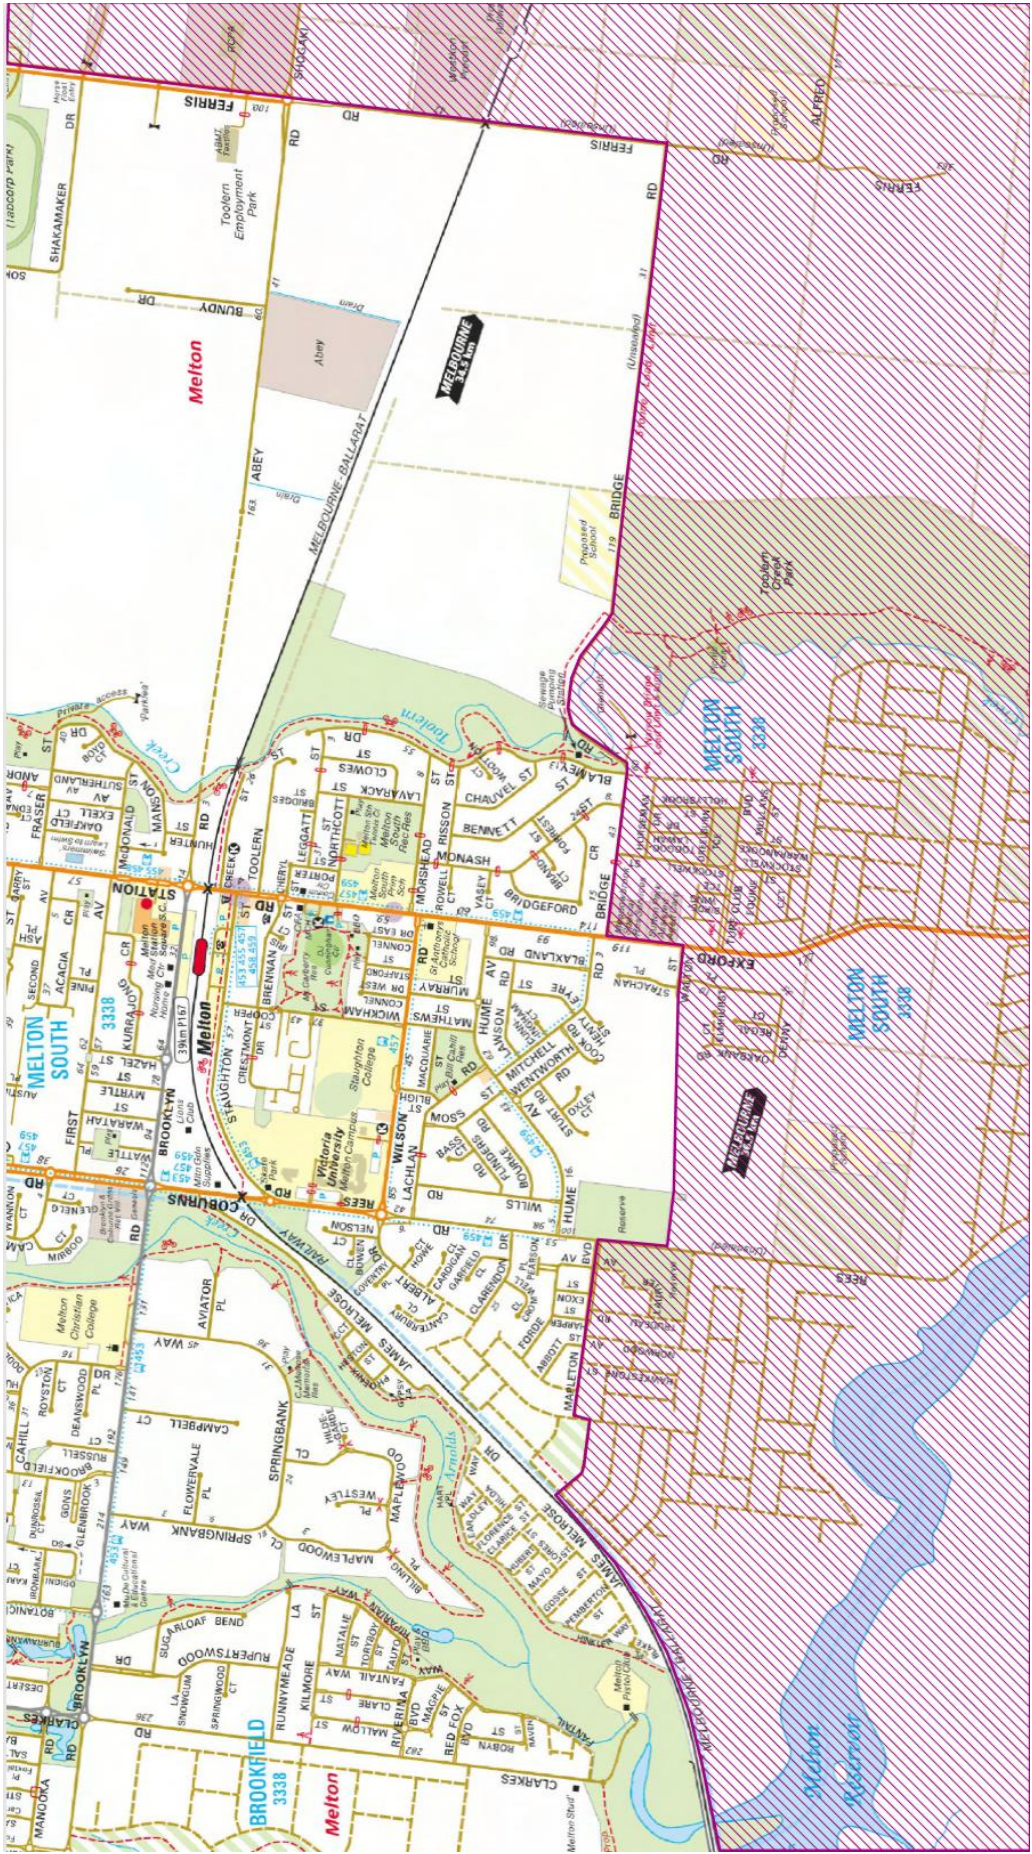

I acknowledge that I understand and accept the terms and conditions of enrolment as set out in the Explanatory Statement and, if enrolment is accepted, I agree that there are certain expectations, obligations and guarantees required of parents/guardians of the school’s students, so that a harmonious relationship may be established:

- I will support and abide by school policies and rules, as amended from time to time, in relation to programs of studies, sports, pastoral care, school uniform, acceptable behaviour, child safety, discipline and general operations of the school
- I will ensure that the information I have provided is kept up to date throughout the period of enrolment and I will notify the school promptly of any changes to that information (e.g. change of residential address, changes to parenting orders)
- I will pay the current school fees and levies for my child and also pay any variation or increase of fees and levies as required upfront at the beginning of the school year or as per an agreed payment arrangement, or I will otherwise notify the school immediately if I am experiencing financial difficulties
- I will support my child’s participation in the religious life of the school (e.g. school liturgies, retreat programs)
- I will attend parent/teacher and information evenings which relate to my child
- In the event I have any concerns, I will raise them initially with the relevant teacher or the school principal
- I will treat all members of the school community with respect as befits a Catholic school
- If in time of emergencies, accidents or serious illness I cannot be contacted, I give permission for the principal (or their representative) to seek medical attention for my child as required (which may include transportation to the nearest hospital, medical centre or doctor by ambulance or private vehicle). I also understand that the signatories below are required to meet any costs incurred
- As a parent/guardian, I understand that if this application is successful, I will support the vision of the school and parish. In accepting the enrolment, I agree to abide by all of the school’s policies, procedures and protocols (Policies). These Policies are reviewed regularly and may be subject to change at the school’s discretion. I will work with the school to support any academic/social/behavioural needs of my child. I agree to support my child’s participation in the religious life of the school (e.g. school liturgies, Masses etc.). The consequence of not complying with the school’s Policies may result in the termination of the enrolment.

I understand that if any misleading information has been provided, or any omission of significant information is made in the application for enrolment, acceptance will not be granted; or, if discovered after acceptance, enrolment may be withdrawn.
